

Welcome Back to School!
January 9th-11th

Important Dates to Note:

- Lunch orders are due **Thursday, January 10th** (*no late orders can be accepted*)

Here are this week's homework assignments:

Where this is a very short week, we will not be having our usual weekly homework and word study words. Instead, I would ask that students read for at least *20 minutes* each night.

Word Study: We will not be getting any new words this week.

Math: There is no Math homework this week other than to continue practicing our times tables to 9x9. Try and practice a few facts each day. Try calling out random facts in the car, while you prepare supper, or while you are out doing errands.

Language Arts: No reading passage this week!

Upcoming Events:

Time to dig out and sharpen those skates- if you haven't already! Our class will be going skating on the following dates - **February 5th & 12th & 19th** from 10:45-11:45 at the STU Hurley Arena. Please let me know if your student is in need of a pair or have discovered they now need a new size, as we *may* be able to track down a pair.

HAPPY NEW YEAR

Reminder:

Over the course of the year, cell numbers, home numbers and addresses, babysitting information, employment details, etc. can change. Please be sure to keep contact information updated so that someone can always be reached in case of an emergency. You can do so by contacting the office, by sending a note in your student's homework, or by emailing me.

As always, please contact me right away via phone at 658-5348 or email at chantale.barsalou@nbed.nb.ca should you have any concerns regarding your child's progress.

Sincerely,
Ms. Barsalou

**NEW YEAR'S
RESOLUTIONS**
