

Grade 4 Weekly Homework October 10th – 12th

I hope that everyone had an amazing Thanksgiving and enjoyed the extra long weekend. Since we have a VERY short week, we will not be having homework as we have in other weeks.

Homework:

Language Arts:

- Read for at least 15 minutes each night
- We only have **3** new words this week, but we will also review the words we have learned so far this year. Please see attached list of review words.
- Word study test on **Friday**

Week 5/Review

they're
too
our

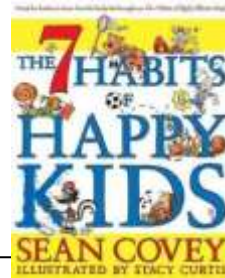

Math:

- Get updated bar graph signed. We are down to **6 minutes** on our basic facts tests now! That's 2 minutes less than what when started just a few weeks ago! Remember, what we are looking for is **progress**, not **perfection**! If this week we got 60 facts in 6 minutes, next week we might look for 64 facts in the same amount of time.
- Choose **2 facts** to master this week.
- **GAME:** Pairs to 50
- **Mental Math:** We are reviewing and learning new strategies for adding numbers mentally. Information on these strategies is attached. This week we are working on *Making Ten with Larger Numbers* and *Front-End Addition*. Have your student explain to you how these strategies work (if these strategies seem VERY different from the way you may have learned how to add...it's because they ARE!).

Just a reminder to please check your student's Homework Binders each night and sign the calendar.

Items to note:

- **TOMORROW, October 11 is PICTURE DAY!**
- Rain Date for Cross Country is **October 11th**
- Mad Science begins **Tuesday, October 16th**
- Scholastic Book Orders are due **Wednesday, October 17th**
- Soccer Jamboree is **Thursday, October 18th**
- **Milk Money is due October 24th, \$9.60**
- Lunch orders *must* be in by **Thursdays**
- Library Books are due **Thursdays**

Habit 1 Be Proactive

I have a "Can Do" attitude. I choose my actions, attitudes and moods. I don't blame others. I do the right thing without being asked, even when nobody is looking.

We continue to work on being **PROACTIVE** at school each day. Please ask your student what they have done to be **PROACTIVE** today!

Sincerely,
C. Barsalou
