When your child is the Star of the Week, they will be honoured by the following activities.

**Monday:** Bulletin Board

Students will use the pages given to create an All About Me bulletin board display.

**Tuesday:** Read Aloud

Students will bring in their favourite book to share with the class.

**Wednesday:** Writing

Students will share a piece of their writing with the class.

**Friday:** Presentation

Students will bring in some items to share with the class that reflects their interests, hobbies and accomplishments. This could also be done using a PowerPoint presentation showing pictures rather than bringing in the actual items. Students can save this on a memory stick or simply have someone email me the presentation at [chantale.barsalou@nbed.nb.ca](mailto:chantale.barsalou@nbed.nb.ca).

**NOTE:**

Students should always ask their families for permission before they bring any items to school.

Please see the attached schedule for your child's week.
